

Apply for funding of your research

The Mats F. and Catharina Linde Forsberg Foundation promotes scientific research, mainly regarding dog and domestic cat reproduction but also ethology and diseases related to reproduction in dogs and domestic cats.

The last day to apply is February 15. Send applications by email to: sekreterare@lindeforsbergsstiftelse.se

Salary

Grants are not given for salary.

Animal experiments

Ethical permit must be approved if projects include animal experiments.

Review and decision

The applications are reviewed and assessed by the Foundation's Board and by persons with different special skills and solid knowledge in veterinary medicine and dog and cat reproduction, who are co-opted to the annual assessment meetings. The decisions are notified to applicants during the month of April.

Applicants who have not completed previous projects, or have not submitted a financial and scientific report within the set time **limit**, will not be granted money for new projects.

Publication

Results of research conducted with funding from the Foundation, in full or partially, shall be published as articles in scientific journals and/or as congress reports.
